Don't try to explain I've been here before
The phone calls and letters of loved ones
Always crying and implying that when
The stormy sides of dreams arrive
I feel the consequences hit but I've

I've had enough I've had too much the feeling strains
me
I've had too much the feeling drains me with so much
at stake

Leaving behind shortcuts to find a long way home
Leaving behind shortcuts to find a long way

I've tried to escape I'm drifting from shore
The vault breaks from weight of the loved ones
Who leave us gliding, forward and flying out when
The sunnysides of dreams have died I feel the
consequences lift but I

I've had enough I've had too much the feeling strains
me
I've had too much the feeling drains me with so much
at stake

Leaving behind shortcuts to find a long way home
Leaving behind shortcuts to find a long way

I've tried to explain, but the right words feel wrong
Big mistakes for the well and the loves gone
And now this crying and goodbying

I've had enough I've had too much the feeling strains
me
I've had too much the feeling drains me with so much
at stake

Leaving behind shortcuts to find a long way home
Leaving behind shortcuts to find a long way home
I'm Leaving behind shortcuts to find a long way
