(Please baby wait for me wait for me wait for me)

I got loaded last night on a bottle of gin  
And I had a fight with my best girl friend  
But when I'm drinking I am nobody's friend  
But please baby wait for me until they let me out again

I know the same thing has happened before  
And everytime it does I hate it more and more  
But when I'm drinking I am nobody's friend  
But please baby wait for me until they let me out again

(Spent a whole lotta time)  
Spent a whole lotta time (spent a whole lotta time)  
sittin' and thinkin'  
(Spent a whole lotta time) sittin' and just thinkin' bout  
you  
If I didn't spend so much time sittin' and drinkin'  
We'd still have the love that we once knew

Oh oh I won't promise the same thing won't happen  
again  
But I can promise it'll be a long long time till then  
Cause when I'm drinking I am nobody's friend  
But please baby wait for me until they let me out again  
Please baby wait for me until they let me out again
