Take this hammer take it to the captain take this
hammer take it to the captain
Take this hammer take it to the captain tell him I'm
gone tell him I'm gone

If he asks you was I runnin' if he asks you was I runnin'
If he asks you was I runnin' tell him I's flyin' tell him I's
flyin'

Tell the captain I was headed for the river tell the
captain I was headed for the river
Tell the captain I was headed for the river tell him I
swim tell him I swim

Take this hammer take it to the captain take this
hammer take it to the captain
Take this hammer take it to the captain tell him I'm
gone gone gone tell him I'm gone

When that steamboat comes down the river when that
steamboat comes down the river
When that steamboat comes down the river I'm a
gonna swim when it comes by
Twenty-five miles in Mississippi twenty-five miles in
Mississippi
Twenty-five miles in Mississippi tell him I'm gone gone
gone tell him I'm gone

Take this hammer take it to the captain take this
hammer take it to the captain
Take this hammer take it to the captain tell him I'm
gone tell him I'm gone
