This disaster plan
Disturbance of the peace in full rolling
Turn this up to 10
Stay on the ball 'cause the 5-0's coming

Feelings intensify
(Out loud)
Riddle me up with bullets of rhythm
Set the madness vibe straight from the heart
Let the future start from here

Blast the system
Don't be the dead beat in the crowd
Shatter the windows
Of our cheap apts your feelings desensitized
Riddle me up with bullets of rhythm feelings intensify
Blast the system your state of mind

Explode the dynamite soul
Beats tapping your head in Morse code
Pirating the transmission
This is revolution in stereo

Youth must lead the way
(Today)
To live this carrot chase without shame
And throwing a fist up in resistance
Is the same as blasting your system

Blast the system
Don't be the dead beat in the crowd
Shatter the windows
Of our cheap apts your feelings desensitized
Riddle me up with bullets of rhythm feelings intensify
Blast the system your state of mind

Own this
Try to believe it
Own this
Work, fight to stick together
Own this
Try to believe it

Own this
Work, fight to stick together

Own this moment
Believe it
Own this moment
Together
Own this moment
Believe it
