Another heart breaks
Oh, what it takes
But you say that you know
What are you gonna say when you're down on your
knees?
That's right

Just another war
They can't tell me
What's it for
What for? What (for)?

And you said that you'd sell your soul again
hey..

Meant what you said that you'd love me today (wooo)
Behind my back while the guitar plays (wooo)
Did you stand by what you know? (wooo)
What a shame. (WOOOOHHH!)

Just another day
Hey, let me say, tell me how much does it pay
How much did you come back that got you down on
your knees?
Hey,
Just another face
I looked for a better respect than your grace
And I by day, gonna take you down..hey

Then you broke down, thought you loved me today
On and on while the guitar plays
Did you stand by what you know?
What a shame.

That's it!
(guitar solo)

Another heart breaks
What it takes
But you say what you fake
When you're down on your knees

YEAH.

Meant what you said that you'd love me today (wooo)
Behind my back while the guitar plays (wooo)
Did you stand by what you know? (woooo)
What a shame! (wooooo)
