Heart in a bottle
High on a shelf
Fragile, but just out of reach
Cause you build a fortress
With the distance you keep
But when your heart aches
Doesn't it cut deep?
You don't have to suffer
Suffer in silence
You don't have to suffer
Suffer in silence
Don't you know that your
Heart can feel like an anchor
When you keep it all inside
No no, don't suffer in silence
Withered in sadness
And hurting inside
But feeling afraid to impose
So you're an island
But you don't have to be
Cause if you're inclined

You can talk to me

But you don't have to suffer

Suffer in silence

You don't have to suffer

Suffer in silence

Oh I know that the pain can seem like an ocean

But I'm just a word away

No no, don't suffer in silence

I'll be your shelter, I'll be your retreat

I'll be your shield against the wind

So, if you need a shoulder for the tears that you keep

Let em come down

Let it rain on me

Cause you don't have to suffer

Suffer in silence

You should never have to suffer

Suffer in silence

Oh, I will hear when you're calling

Like a voice above the storm

No no, don't suffer in silence

You don't have to suffer

Suffer in silence

You don't have to suffer

Suffer in silence

Don't you know that your

Heart can feel liek an anchor

When you keep it all inside

No no, don't suffer in silence
