Our nights are over -
There's just a long flight home
'q
The last touch in the morning is forever gone.
Oh
baby
I want to hold you once again

Mmm
baby
it will never be the same.
Never again will I look into your eyes
never again.
Never again will I hold you late at night
never again.

Tomorrow's waiting
it's time for me to go.
You don't have to say a thing
Cause we will always know.
Oh
baby
we were lovers with a smile

Yeah
baby
we had it all for a little while.
Never again will I look into your eyes
never again. . . .
Never again will I look into your eyes
never again. . . .
Never again will I look into your eyes
never again. . . .
