Fascination

I'm sorry baby i just can't rip you apart  
the finest day of my life was when you broke my heart  
lets start from the top oh baby  
i was wrong, shouldn't have wrote this vicious song  
baby eh eh eh uhuh oh baby eh eh eh oh

I'm sorry baby i don't love you today  
I'm sorry baby i don't need you today uh oh oh  
I'm sorry baby i don't love you today  
Love you today

Fascination

I'm sorry baby i guess that this just cant be  
the problem in your life is that you must worship me  
lets start from the top oh baby i was wrong  
shouldn't have wrote this vicious song  
baby  
baby eh eh eh oh

i'm sorry baby i dont love you today  
im sorry baby i dont need you today uh oh oh  
i'm sorry baby i dont love you today  
Love you today

Love you today  
Love you today  
Want you today  
Want you today

I'm sorry baby maybe this just can't be  
all the problems in your life are what's happening to me  
should have wrote this song, shouldn't have wrote this  
vicious song  
baby eh eh eh uhuh oh baby eh eh eh oh  
eh eh oh  
eh eh uh oh  
baby oh baby eh oh  
baby oh baby
