Our nights are over,
It's just a long flight home,
The last tuch in the morning
Is forever gone,
Mmm, oh baby I want to hold you once again
Mmm, baby, it would never be the same.

Chorus:
Never again, will I look in to your eyes
Never again,
Never again, will I hold you late at night
Never again.

Tomorrow's waiting,
It's time for me to go,
you don't have to say a thing
'Cause we will always know,
Mmm, oh baby, we were lovers with a smile
Yeah, baby, we had it all for a little while.

Chorus 3x

Never again, ohhhh...
