Jim, livin' with you'd not such fun
You're not not the only one
You don't have the looks
You're not the person that you used to be
And there are people in the street that would go for me
And I said, no, no, no, no, no, baby face
And I said, no, no, no, no, no, baby face
I met you in a bar in L.A., I was not feeling so good
And you made the proper moves, you did everything
that you should
But now you're making a mistake
And somebody else will take your place
You're talking drugs over me
And I said, no, no, no, no, no
And I said, no, no, no, no, no
And I said, no, no, no, no, no, baby face
And I said, no, no, no, no, no, baby face
You're not the kind of person that's easy
To live with in a house
I cool all your meals
I make sure that you work out
But lately it's been gettin' so hard
The way you talk, oooh, the way you walk
And I'm not sure exactly what it's all about
And I said, no, no, no, no, no, baby face
And I said, no, no, no, no, no, baby face
And I said, no, no, no, no
And I said, no, no, no, no, oooh, baby face
No, no, baby face
No, no, no, baby face
(you can keep it, just keep it)
