"Heavenly Arms"

Heavenly arms reach out to hold me
Heavenly arms entice you to dance
In a world of ill will, the dancers are still
Heavenly arms reach out to me
Heavenly arms, soft as a love song
Heavenly arms bring a kiss to your ear
In a world that seems mad, all the dancers seem sad
Heavenly arms reach out to me
Sylvia, Sylvia, Sylvia, Sylvia,
Heavenly arms come to my rescue
Only a woman can love a man
In a world full of hate, love should never wait
Heavenly arms reach out to me
Heavenly arms, strong as a sunset
Heavenly arms, pure as the rain
Lovers stand warned of the worlds impending storm
Heavenly arms reach out to me
Sylvia, Sylvia, Sylvia, Sylvia
