Legendary hearts
Tearing up apart
With stories of their love
Their great transcendant loves
While we stand here and fight
And lose another night of legendary love
Legendary loves
Haunt me in my sleep
Promises to keep
I never should have made
I can't live up to this
I'm good for just a kiss
Not legendary love
Romeo, oh Romeo
Wherefore art thou Romeo?
He's in a car or at a bar
Or churning his blood with an impure drug
He's in the past and seems to be lost forever
He worked hard at being good
But his basic soul was stained not pure
And when he took his bow
No audience was clapping
Legendary hearts
Tear us all apart
Make our emotions bleed
Crying out in need
No legendary love
Is coming from above
It's in this room right now
And you've got to fight to make what's right
You've got to fight to make what's right
You've got to fight to make what's right
You've got to fight to keep your legendary love
