"My House"

The image of the poet's in the breeze
Canadian geese are flying above the trees
A mist is hanging gently on the lake
My house is very beautiful at night
My friend and teacher occupies a spare room
He's dead - at peace at last the Wandering Jew
Other friends has put stones on his grave
He was the first great man that I had ever met
Sylvia and I got out our Ouija Board
To dial a spirit - across the room it soared
We were happy and amazes at what we saw
Blazing stood the proud and regal name Delmore
Delmore, I missed all your funny ways
I missed your jokes and the brilliant things you said
My Dedalus to your Bloom
Was such a perfect wit
And to find you in my house
Makes things perfect
I really got a lucky life
My writhing, my motorcycle and my wife
And to top it all off a spirit of pure poetry
Is living in this stone and wood house with me
The image of the poet's in the breeze
Canadian geese are flying above the trees
A mist is hanging gently on the lake
Our house is very beautiful at night
Our house is very beautiful at night X3
