by Lou Reed

Just a perfect day

Drink sangria in the park

And then later, when it gets dark, we'll go home

Just a perfect day

Feed animals in the zoo

Then later a movie too, and then home

Chorus:

Oh it's such a perfect day

I'm glad I spent it with you

Oh such a perfect day

You just keep me hanging onx2

Just a perfect day

Problems all left alone

Weekenders on our own

It's such fun

Just a perfect day

You make me forget myself

I thought I was someone else

Someone good

Chorus

You're going to reap just what you sow

You're going to reap just what you sow

You're going to reap just what you sow

You're going to reap just what you sow
