We who have so much  
to you who have so little  
to you won't have anything at all  
We who have so much  
more than any one man does need  
and you who don't have anything at all  
Does anybody need another million dollar movie  
Does anybody need another million dollar star  
Does anybody need to be told over and over  
Spitting in the wind comes back at you twice as hard  
Strawman, going straight to the devil  
Strawman, going straight to hell  
Does anyone really need a billion dollar rocket  
Does anyone need a \$60,000 car  
Does anyone need another President  
or the sins of Swaggart parts 6, 7, 8 and 9  
Does anyone need another politician  
caught with his pants down  
money sticking in his hole  
Does anyone need another racist preacher  
Spittin' in the wind can only do you harm  
Does anyone need another faulty shuttle  
blasting off to the Moon, Venus or Mars  
Does anyone need another self-righteous rock and roll  
singer  
whose nose he says has led him straight to God  
Does anyone need yet another blank skyscraper  
If you're like me I'm sure a minor miracle would do  
A flaming sword or maybe a gold ark floating up the  
Hudson  
When you spit in the wind it comes right back at you
