You're caught in a vicious circle  
Surrounded by your so called friends  
You're caught in a vicious circle  
And it looks like it will never end

'Cause some people think that they like problems  
And some people think that they don't  
And for everybody who says 'Yes'  
There's somebody who's staring, saying 'Don't'

You're caught in a vicious circle  
Surrounded by your so called friends  
You're caught in a vicious circle  
And it looks like it will just never end

'Cause some people think that it's nerves  
And some people think that it's not  
And some people think that it's things that you do  
And others think that you were cold when you were hot  
They think the that, this what it was about

You're caught in a vicious circle  
You're caught in a vicious circle  
You're caught in a vicious circle  
You're caught in a vicious circle  
Surrounded by all of your friends
