What becomes a legend most  
When she's alone in a hotel lobby  
What becomes a legend most  
Some bad champagne and some foreign bottled beer

What becomes a legend most  
When the musicians have come and then leave her  
What becomes a legend most  
Besides being a legendary star

What becomes a legend most  
Lying in bed, cold and regal  
What becomes a legend most  
Lying in bed watching a talk show on TV

What becomes a legend most  
Fifty days in fifty cities  
And everyone says she looks pretty  
At least as pretty as a legend should

Fifty days can wear you down  
Fifty cities flying by  
A different man in each different hotel  
And if you're not careful, word can get around

What becomes a legend most  
Not a bed, that is half empty  
Not a heart, that is left empty  
That's not pretty, not pretty at all

What becomes a legend most  
When she's lying in her hotel room  
What becomes a legend most  
Well, baby, tonight it's you  
(Tonight it's you)  
Baby, tonight it's you

What becomes a legend most, sha la la la  
(Baby, it's you)  
What becomes a legend most, sha la la la  
(Maybe tomorrow)

What becomes a legend most, sha la la la  
(Baby, it's you)  
What becomes a legend most, sha la la la

What becomes a legend most, sha la la la  
What becomes a legend most, sha la la la  
What becomes a legend most, sha la la la  
What becomes a legend most, sha la la la
