Get back on your feet again -
So insensir -
Crying America
I held you so dear

Get back on your feet again -
So into you -
We met in the cinema
You fell from my view

Lullaby, stop twisting my words tonight
If you get high on life -
Dont leave me behind

Get back on your feet again -
Nothing to say -
Some of your weaker friends get in my way

Get back on your feet again -
Always seems down
Some of your weaker friends
Dont want you around...

Lullaby -
Stop twisting my words tonight -
If you get high on life -
Dont leave me behind.

Lullaby -
Your living my rullaby -
Make light of all you see -
And leave me from here...

Ohh oh ohh uh uh...

Get back on your feet again -
Nothing to say -
We met in the cinema -
You got in my way.

(Finally the course all over again
