If I send you home
Would you come again
And if I said farewell
Is that where you'd begin
And if I send you hooooooooooooome
Could you come on iiiiiiiin
And if you say you won't
Then I know you will

I was all alone
Like a father with no son
You were like a dream
Woken up just has begun
I was all alone
With the promise that you maaaaade

Chorus
All I wanna do is make it over you
I want toooooooooo (getting lower at the end)
All I wanna do is make it over you
I want toooooooooo (getting higher at the end)

And if I said farewell
Then we're on our own
D?you know I never thought I say'd a woooooord
But you know you can't have thought I heeeeeaaard

I was all alone
Like a father with no son
You were like a dream
