Been down, yeah
But I've come back brighter
Sun hurts
If I try to fight her

I won't be sat here waiting
I won't be sat here waiting
I won't be sat here waiting for you
So come and take me on

Sometimes, yeah
The black holes inside you
But if you can just lighten up yourself
It'll make you stronger

I won't be sat here waiting
I won't be sat here waiting
I won't be sat here waiting for you
So come and take me on

Get up, get up, get up, get up, get up
Get up, get up, get up, get up, get up
Get up, get up, get up, get up, get up
Get up, get up, get up, get up, get up
Get up, get up, get up, get up, get up
Get up, get up, get up, get up, get up, c'mon

Been down, yeah
But I've come back brighter
Sun hurts me
If I try to fight her

I won't be sat here waiting
I won't be sat here waiting
I won't be sat here waiting for you
So come and take me
So come and take me on and on and on and on

Get up, get up, get up, get up, get up
Get up, get up, get up, get up, get up
Get up, get up, get up, get up, get up
Get up, get up, get up, get up, get up

Get up, get up, get up, get up, get up
Get up, get up, get up, get up and down
