i can getaway i can getaway
i can see the world i can be happy
you could find yourself in a different world
in a foreign place appreciate something else
don't you want to go don't you want to go
fly away with me on a jet plane

i don't want to close my eyes
even though i'm tired i do not want to sleep
i'm going on a trip when i've saved money
i'm so excited

up to you how far see how brave you are
end up in baja on the peninsula
you could take a chance
in the south of france
maybe hosseger on a ferry
i don't want to close my eyes
even though i'm tired i do not want to sleep
i'm going on a trip when i've saved money
i'm so excited

malaga for ?5
easter for ?00
holidays all of the 'round
sweet kernow i am coming down

don't you want to go don't you want to go
come away with me because i'm leaving
