(Yeah, yeah, oh-yeah, what condition my condition was in)

I woke up this mornin' with the sundown shinin' in
I found my mind in a brown paper bag within
I tripped on a cloud and fell-a-eight miles high
I tore my mind on a jagged sky
I just dropped in to see what condition my condition was in

(Yeah, yeah, oh yeah, what condition my condition was in)

I pushed my soul into a deep dark hole and then I followed it in
I watched myself crawlin' out as I was a-crawlin' in
I got up so tight I couldn't unwind
I smoked so much I broke my mind
I just dropped in to see what condition my condition was in

Come on!

(Yeah, yeah, oh yeah, what condition my condition was in)

Someone painted "April fool" in big black letters on a dead end sign
I had my foot on the gas as I left the road and blew out my mind
Eight miles outta Bristol and I got no spare
Eight miles straight up downtown somewhere
I just dropped in to see what condition my condition was in
I said I just dropped in to see what condition my condition was in

(Yeah, yeah, oh yeah)
