a better slumber  
was in your arms  
spent tangled up in you  
a sudden mourning  
crashed in the room  
with an uninvited sudden change in you

what can i say?  
wheres that girl from last night  
whos slept on that side  
and looks just like you do?

you can sleep in your own bed tonight  
sleep away a silent pain  
that's screaming out my name  
you can sleep in your own bed tonight  
i hope for your sake you dont wake up  
as broken as i am

for a lack of better  
words to say  
all i said was goodnight

once again  
in self defense i wont sleep a wink  
to prevent dreaming of you

you can sleep in your own bed tonight  
sleep away a silent pain  
that's screaming out my name  
you can sleep in your own bed tonight  
i hope for your sake you dont wake up as broken as i  
am

sleep in your own bed tonight  
i kno some day you will wake up as lonely as i am  
cause fate works both ways  
cause fate works both ways  
cause fate works both ways  
so sleep in your own bed
