"A Goodnight's Sleep"

A better slumber was in your arms,
spent tangled up in you.
A sudden morning crashed in the room,
with an uninvited sudden change in you,
what can I say?
Wheres that girl from last night?
who slept on that side,
and looks just like you do?

You can sleep in your own bed tonight
sleep away a silent pain that's screaming out my name,
you can sleep in your own bed tonight
I hope for your sake that you don't wake up
as broken as I am.

For the lack of better words to say,
all i said was "Goodnight"
once again, in self defense
I won't sleep a wink
to prevent dreaming of you...

You can sleep in your own bed tonight,
sleep away a silent pain that's screaming out my name,
you can sleep in your own bed tonight,
I hope for your sake that you dont wake up as broken
as I am.

Sleep in your own bed tonight
I know some day that you will wake up as lonely as I am

You can sleep in your own bed tonight
sleep away a silent pain that's screaming out my name,
You can sleep in your own bed tonight
I hope for your sake you dont wake up as broken as I
am

Sleep in your own bed tonight
I know some day that you will wake up as lonely as I am

'cause fate works both ways [x3]

Sleep in your own bed...
