Please don't leave me without saying goodbye,
Without saying goodbye.

You and I, cold February night
It's been a half an hour
Taking sweet time saying our goodbyes
One minute more, GO!!!

The best day of my life is all thanks to you
Precious remembrance saved for rainy days or
February
Few scenes from my life or moments mean more to me
than our fine nights,
I remember like yesterday, the time of my life.

Please don't leave me without saying goodbye.
Without saying goodbye
Please don't leave me without saying goodbye
Without saying goodbye
Let's travel back in time.

2-12-99 at the stroke of midnight
Holding you tight, your body and mine, in February

Few scenes from my life or moments mean more to me
than our fine nights,
I remember like yesterday, the time of my life

Please don't leave me without saying goodbye.
Without saying goodbye
Please don't leave me without saying goodbye
Without saying goodbye
Please don't leave me without saying goodbye.
Without saying goodbye
Please don't leave me without saying goodbye
Without saying goodbye
Let's travel back in time.
