Today can be a different day
If sky lifts up the haze
Off of my front lawn

Or just another time I hold my tears
For another year
On my way back home

Can I sell this sunrise
In return for a sunset yeah
Can I just be here one more day
Until my sunburn fades away

I've asked a hundred times
What's going on
But it went through one ear
And out the other one

Now can I take a palm tree home with me
For the memory of you when I'm at home
And I've been looking forward not back
Vacation's everything we need

Can I sell this sunrise
In return for a sunset yeah
Can I just be here one more day
Until my sunburn fades away
I'm taking pictures of everything
To remind me of that place that's so perfect for me
I'm taking pictures of everything
So go ahead and take this place away from me

Today can be another day
When the sky lets up the haze
Above my front lawn

Just another time I hold my tears
For another year
On my way back home

Can I sell this sunrise

In return for a sunset yeah
Can I just be here one more day
Until my sunburn fades away

Can I sell this sunrise
In return for a sunset yeah

Can I just be here one more day
Until my sunburn fades away

Can I sell this sunrise
In return for a sunset yeah

Can I just be here one more day
Until my sunburn fades
My sunburn fades away...
