Tell me what you thought about when you were gone
and,
So alone....
The worst is over,
You can have the best of me.
We got older,
But we're still young,
We never grew out of this feeling that we wont,
Give up~...

Here we lay again,
On two separate beds,
Riding phone lines,
To meet a familiar voice,
And pictures drawn from memory.
We reflect on miscommunications,
And misunderstandings,
And missing each other too...
Much to have had to let go~..

Turn our music down,
And we wisper,
"Say what you're thinking right now."

Tell me what you thought about when you were gone
and,
So alone....
The worst is over,
You can have the best of me.
We got older,
But we're still young.
We never grew out of this feeling that we won't,
Give up.

Jumping to conclusions
Made me fall away from you.....
I'm so glad that the truth,
Has brought back together me and you.

We're sitting on the-(sitting on the ground)
And we whisper, (and we whisper!)

"Say what you're thinking out loud."

Tell me what you thought about when you were gone
and,
So alone
The worst is over,
You can have the best of me
We got older,
But we're still young!
We never grew out of this feeling that we won't,
Give up.

Turn our music down.
And we whisper.
We're sitting on the ground.
And we whisper~,
We turn our music down,
We're sitting on the ground,
The next time I'm in town,
We will kiss, girl.....
We will kiss, girl!!!!!!!!!!!!

Tell me what you thought about when you were gone
and,
So alone.....
The worst is over,
You can have the best of me
We got older,
But we're still young!
We never grew out of this feeling that we won't.
Feeling that we can't.
We're not ready to give up!!!!!!!!!!!!

We got older,
But we're still young,..
We never grew out of this feeling that we won't,
Give~
Up.....
