"Up & go"

here it goes, and this wont take long
just let me dedicate a song
to a
girl that turned this boy to stone
and you know who you are
heres a
hint, she doesnt have a car
or the time to be in love with me

why
did you say
this feeling has to stay
left me to wait for so long

you dont have to stay
but i hope that you would anyway
all you
do is up and go

excuse me, but this wont take long

i'm sorry for
writing you this song
but just what do you think you deserve
because
when you had the chance, for romance
you burned it up advanced
i guess
i'm not sorry in the least

what made you say
this feeling has to
stay
breaking this off for so long

you dont have to stay
but i
hope that you would anyway
all you do is up and go
you dont have to go

what makes you stay we'll never know
all you do is up and go

up
and go
up and go
what would make you stay
up and go
what would
make you stay
i guess we'll never know
i guess we'll never know
i
guess we'll never

you dont have to stay
but i hope that you would
anyway
all you do is up and go
you dont have to go
what makes you
stay we'll never know
all you do is up and go
you didn't have to stay

so you didn't have to run away
all you do is up and go
up and go

up and go
i guess we'll never know...
