

Reel Big Fish "A Little Doubt Goes A Long Way"

Visit "[A Little Doubt Goes A Long Way](#)" on MotoLyrics.com

Uh-uh, uh-uh, uh-uh, uh-uh

I gotta go, gotta go, before I do something stupid, I
gotta go

I gotta go, gotta go, before I do something lame

I know it's your fault that I'm in the mess I'm in
And you think I'm cool but I don't man
Maybe, it's too soon, but I think it's too late
And things like, bad timing just wont wait

Maybe it's not right
(I have a girlfriend)
Made a friend tonight
(Who is a girl and)
I just wanted to talk you but then I started wonderin'
If she's the one, or not

So I gotta go, gotta go, before I do something stupid, I
gotta go
I gotta go, gotta go, before I do something lame

Maybe it's not right
(I have a girlfriend)
Made a friend tonight
(Who is a girl and)
I just wanted to talk you but then I started wonderin'
If she's the one, or not

Uh-uh, uh-uh, uh-uh, uh-uh

Well I know, flirting is nothing and it should be where it
ends
But I know yes I know that I want you for more than a
friend

Maybe it's not right
(I have a girlfriend)
Made a friend tonight
(Who is a girl and)
I just wanted to talk you but then I started wonderin'
Oh yes I started wonderin' if your the one ha ha

I gotta go, gotta go, before I do something stupid, I
gotta go
I gotta go, gotta go, before I do something lame

I gotta go, gotta go, before I do something stupid, I
gotta go
But I know, I know, oh woh but it's too late
