You're 17
Evil and mean
Comfy and cosy nowhere scene
But u can't deny
The loser inside
All of ur bad taste wont subside

You're outa sight
U keep me up at night
You dress funny, strapless and skintight
You're outa sight
You keep me up at night
You make me crazy you wear it out of spite
Ban the tube top tonight

You're magical
Mystery girl
Tic toc you don't stop rockin my world
You give high fives
To all the guys
You let me know that im alive

You're outa sight
U keep me up at night
You dress funny, strapless and skintight
You're outa sight
You keep me up at night
You make me crazy you wear it out of spite
Ban the tube top tonight

There's a party that we're
Not invited to
But i don't care because i hate everyone in school
I ignore all the girls but you

Beautiful girl
Ugly shirt
You are a fashion red alert
But i can't resist
You've never been kissed
I've never been in love like this

You're outa sight
U keep me up at night
You dress funny, strapless and skintight
You're outa sight
You keep me up at night
You make me crazy you wear it out of spite
Ban the tube top tonight
