You say you're down, you can't lose that frown  
Life sucks, what else is new, that's tough  
There's not much you can do  
You're not the only one, not havin' any fun

I've got a funny feelin'  
We're all born to lose  
And I've got a funny feelin'  
That this life ain't worth livin' through

I've been depressed and I get so stressed  
Life sucks, I don't wonder why, that's tough  
I just keep on tryin'  
So I won't be the one not havin' any fun

I've got a funny feelin'  
We're all born to lose  
And I've got a funny feelin'  
That this life ain't worth livin' through

I'm not givin' up yet  
That's not the end of me  
But it's not gonna be all right  
You'll see, you'll see

I've got a funny feelin'  
We're all born to lose  
And I've got a funny feelin'  
That this life ain't worth livin'

I've got a funny feelin'  
We're all born to lose  
And I've got a funny feelin'  
That this life ain't worth livin'

I've got a funny feelin'  
I've got a funny feelin'  
I've got a funny feelin'  
I've got a funny feelin'  
Cheer up
