We are the dateless losers

We are all on our own
With no one by our side
You are so lucky
Beautiful and bright

All the cool kids go steady
They're making out at 12
We sit in our rooms
Alone by ourselves

It's Friday
No phone call
Nobody asked us out

We are the dateless losers
Lonely until we die
So unappreciated
Why, why, why, why

We're not so bad you know
But you won't give us a chance
Take us to the movies
To dinner, or to dance

Not perfect
Not too hip
But we need lovin' too

We are the dateless losers
Lonely until we die
So unappreciated
Why, why, why, why

You don't want her
You don't need her
You don't want her

We are the dateless losers
Lonely until we die
So unappreciated

Why, why, why, why

We are the dateless losers
Lonely until we die
So unappreciated
Why, why, why, why
