Here is my song.  
It's just for you.  
I sing the words, that's what I do.  
And here's a chord.  
And here's one more.  
And here's a change just like before.

The second verse.  
It could be worse.  
I know you're laughin' 'til it hurts.  
And here's a chord.  
And here's one more.  
And here's a change just like before.

Chorus! (Background.)  
Chorus! (Background.)  
Chorus! (Background.)  
Break it back down.

And you just left.  
And I'm tone-deaf.  
I guess we'll finish it, I guess.  
So here's a chord. (Here's a chord.)  
And here's one more. (Here's one more.)  
And there's that change just like before.

Chorus! (Background.)  
Chorus! (Background.)  
Chorus! (Background.)  
Break it back down.

This looks like the perfect place.  
This looks like the perfect place.  
To break it down.  
To break it down.  
To build it off the ground.

Chorus! (Background.)  
Chorus! (Background.)  
Chorus! (Background.)  
Break it back down.

Chorus! (Some more background.)  
Chorus! (Some more background!)  
Chorus! (Background!)  
Break it back down
