Well, first of all, I'd like to say fuck off, fuck off
(Fuck off, fuck off)
If you don't get it, why don't you go shove your head
back up your ass
And don't waste my time I don't need your opinion, no
(Oh my God)

'Cause you don't know what it's like
You don't know what it's like
You don't know what it's like to be like me
You don't know so keep your mouth shut

Well this may come as kind of a surprise, surprise
(Surprise, surprise)
I don't like you and I don't care what you think about
what I do
And most of all, I don't need your opinion, no
(Oh my God)

'Cause you don't know what it's like
You don't know what it's like
You don't know what it's like to be like me
You don't know so keep your mouth shut

Well, finally thats the way it is
I like something you don't and you're telling me it's shit
But it's a waste of time, you can't change our opinion
(We dont wanna be, you know what else?)

'Cause I don't know what it's like
I don't know what it's like
I don't know what it's like to be like you
I don't know so I keep my mouth
