I never felt too good but in this world who would
I was always thinkin' somethin' wasn't right
But then you came along and helped me sing a song
and
Now I feel okay I hope it can stay this way

You know we've got a good thing goin'
And I don't wanna see it end
You know we've got a good thing goin'
And I don't wanna see it end

Are these the good days that I've heard so much about
There goes the heartbreak that I can live without

I've been so frustrated, bitter, mean, and jaded
I've taken for granted all the things I've got
But now that you are here this anger disappears
And I feel happy too this is sappy but it's true

You know we've got a good thing goin'
And I don't wanna see it end
You know we've got a good thing goin'
And I don't wanna see it end

Are these the good days that I've heard so much about
There goes the heartbreak that I can live without

Are these the good days that I've heard so much about
There goes the heartbreak that I can live without
Heartbreak, I can live without
Heartbreak, heartbreak
I can live, I can live without

You know we've got a good thing goin'
And I don't wanna see it end
You know we've got a good thing goin'
And I don't wanna see it end

You know we've got a good thing goin'
And I don't wanna see it end
You know we've got a good thing goin'
And I don't wanna see it end

You know we've got a good thing goin'
And I don't wanna see it end
You know we've got a good thing goin'
And I don't wanna see it end

You know we've got a good thing goin'
And I don't wanna see it end
You know we've got a good thing goin'
And I don't wanna see it end
