Alright!

Let me point my finger at your nose, nose, nose
Whoah, its not funny, no, no, no, no
I can you you lookin down her shirt
I can see you lookin' up her skirt
Only gonna tell you once, only gonna tell you once
To just get back

You better stay away from my girlfriend
You better stay away from her
I'm just giving warning so you get no broken bones
You better leave my girl alone

Well I bet you can understand what I'm sayin', yeah,
yeah
Whoa, when the music is playin'
I can see you lookin' down her shirt
I can see you lookin' up her skirt
Only gonna tell you twice, and ask you really, really
nice

You better stay away from my girlfriend
You better stay away from her
I'm just giving warning so you get no broken bones
You better leave my girl alone

"They're guitar solo fighting"
"Over little ole' me"

Let me break your neck and crush your skull, skull,
skull
Whoah, you never listen, no, no, no, no
I can see you lookin' down her shirt
I can see you lookin' up her skirt
And I'm sick of your shit
I cant take much more of it
So

You better stay away from my girlfriend
You better stay away from her
I'm just giving warning so you get no broken bones

You better leave my girl alone

Woah-oh-oh-oh

Woah-oh-oh-oh

Woah-oh-oh-oh

Woah-oh-oh-oh

Well, that's all folks!
