Start spreadin' the news, I'm
leavin' today
I want to be a part of it, New York, New York
These vagabond shoes are longing to stray
Right through the very heart of it, New York, New York

I want to wake up in a city that doesn't sleep
And find I'm king of the hill, top of the heap
These little town blues are melting away
I'll make a brand new start of it in old New York

If I can make it there, I'll make it anywhere
It's up to you New York, New York

New York, New York
I want to wake up in a city that never sleeps
And find I'm A number one, top of the list
King of the hill, A number one

These little town blues, are melting away
I'm gonna make a brand new start of it in old
New York
And if I can make it there, I'm gonna make it
anywhere
It's up to you New York, New York, New York
