Well first of all I'd like to say fuck off (fuck off)  
If you don't get it why don't you go shove your head  
back up your ass  
And don't waste my time, I don't need your opinion  
No-oh oh oh oh

Chorus

Cause you don't know what it's like  
You don't know what it's like  
You don't know what it's like to be like me  
You don't know, so keep your mouth shut

Well this may come as kind of a surprise (surprise)  
I don't like you and I don't care what you think about  
what I do  
And most of all, I don't need your opinion  
No-oh oh oh oh

Chorus

Cause you don't know what it's like  
You don't know what it's like  
You don't know what it's like to be like me  
You don't know, so keep your mouth shut.

Well finally, that's the way it ends  
I like something you don't and you're telling me it's shit  
It's a waste of time, you can't change our opinion  
oh oh oh

I don't know what it's like  
I don't know what it's like  
I don't know what it's like to be like you  
I don't know, so I keep my mouth
