Say I've got to save my soul  
You know I wont let you go now  
No no I wont let you go now  
You know I wont let you go now  
No no I wont let you go now

Some of them say they gettin ready  
Some of them are rocking steady  
Some of them are doing reggae  
Some of them are doing nothing

I want you to rock it with I  
I want you to rock it with I  
I want you to rock it with I  
I want you to rock it with I

Some of them become a christian  
Some of them are politicians  
Some of them are dread locked rastaas  
Some of them are bowling monsters

I want you to rock it with I  
I want you to rock it with I  
I want you to rock it with I  
I want you to rock it with I

Say I've got to save my soul  
You know I wont let you go now  
No no I wont let you go now  
You know I wont let you go now  
No no I wont let you go now

I want you to rock it with I (til end)
