we like pizza but she doesn't eat the crust
i love her and she loves everyone
she said she likes my band
but i don't even like my band
i love her and she loves everyone
everyone

i saw her kiss him last night,
i'm sick now
(but it's just a little cold)
scott's a dork (whoa whoa)
scott's a dork (whoa whoa)

when i say "i give up" it just means
i am going to try again she loves me
and i love everyone

i was kissin' her
but she was wishin' it was
him she loves me and i love everyone
everyone

they told her, about you and me
she's mad now
(but she'll get over it)
scott's a dork (whoa whoa)
scott's a dork (whoa whoa)
dork (repeat multiple times)

you'd think that
after all this time
she'd change but,
she didn't
scott's a dork (whoa whoa)
scott's a dork (whoa whoa)
