I just made an enemy of someone I don't know and
they
Are upset about somethin' that I must have done,
It really doesn't make much sense
Well I've got no statement in my defense

But, I know, no matter what, no matter who
No matter what I do, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
And I hate somebody too

Did you misunderstand something that I did
Or was there one of my jokes that you didn't get or
Do you think you've got the way I think all figured out
What did I say, to make you feel I'm not cool, now

But, I know, no matter what, no matter who
No matter what I do, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
And I hate somebody too

I know its wrong, but I do it too, I do it too
Well I guess I should say
Don't let it get to you

But, I know, no matter what, no matter who
No matter what I do, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, somebody hates me
Somebody hates me, and I hate somebody too,
I hate somebody too, I hate somebody too,
I hate somebody too, I hate somebody too

Somebody like you
