We're talking away
I don't know what's left to say
I'm sayin' it anyway
Today's another day to find you
Shying away
I'll be coming for your love o.k.?

Take on me, take me on
I'll be gone
In a day or two

So needless to say
I'm odds and ends again
But it's me stumbling away
Slowly learning that life is o.k.
Say it after me
It's no better to be safe than sorry
Take on me,
take me on
I'll be gone
in a day or two

Things that you say
yeah is it life or just to play my
Worries away
You're all the things I've got to remember
Shying away
I'll be coming for you anyway

Take on me,
take me on
I'll be gone
in a day or two

Take on me,
take me on
I'll be gone
in a day
