New news

New noose

Old veivs

Break through

Silenced

My new

Used noose

For you

Break through

Silenced

Waiting for the possibility

Break and kick the chair from under me

Puzzeled looking for the deity

That took my life out from under me

Old veivs

Break through

Silenced

My new

Used noose

For you

Break through

Silenced

Waiting for the possibility

Break and kick the chair from under me

Puzzled looking for the deity

That took my life out from under me
