The old days were no fun  
Im not sorry that they're gone  
I don't miss them and I won't miss them  
and it was always wrong  
Everything I've ever done  
From the beginning and to the ending  
and things never got better, it seems like forever  
Since we had fun or maybe I never have fun

And this whole time! I've been around  
One minute up!  
and a hundred down uhhh ohhh

Keep on laughing, Keep attacking  
I'll show you what it means  
To keep on lying, Keep denying  
That there's nothing good in me  
I'm not worthless, I know you heard this  
My life's a joke and the joke's on me  
The joke's on me

You were always lame, a headache and a pain  
I don't miss you and I won't miss you  
I tried not to get bitter but I was such a quitter  
Oh yeah I had dreams but they were only ever bad  
dreams

And this whole time! I've been around  
One minute up!  
and a hundred down uhhh ohhh

Keep on laughing, Keep attacking  
I'll show you what it means  
To keep on lying, Keep denying  
That there's nothing good in me  
I'm not worthless, I know you heard this  
My life's a joke and the joke's on me  
The joke's on me, The joke's on me...

Well there never were any good old days  
Looking back I'm still amazed  
How everything went wrong in every way

There were no good old days

Well there never were any good old days  
Looking back I'm still amazed  
That everything went wrong in every way  
There were no good old days  
[2x]

And this whole time! I've been around  
One minute up!  
and a hundred down uhhh ohhh

Keep on laughing, Keep attacking  
I'll show you what it means  
To keep on lying, Keep denying  
That there's nothing good in me  
I'm not worthless, I know you heard this  
My life's a joke and the joke's on me...
