If you need a friend  
Don't look to a stranger  
You know in the end  
I'll always be there  
And when you're in doubt  
And when you're in danger  
Take a look all around  
And I'll be there  
I'm sorry but I was just thinking of the right words to  
say  
I know they don't sound the way I planned them to be  
But if you wait around awhile I'll make you fall for me  
I promise  
I promise you, I will  
When your day is through  
And so is your temper  
You know what to do  
Gonna always be there  
Sometimes if I shout  
It's not what's intended  
These words just come out  
With no grudge to bear  
I'm sorry but I was just thinking of the right words to  
say  
I know they don't sound the way I planned them to be  
But if I had to walk the world I'd make you fall for me  
I promise you  
I promise you, I will  
I tell ya  
I gotta tell ya  
I need to tell ya  
I'm sorry but I was just thinking of the right words to  
say  
I know they don't sound the way I planned them to be  
But if you wait around awhile I'll make you fall for me  
I promise  
I promise you  
I'm sorry but I was just thinking of the right words to  
say  
I know they don't sound the way I planned them to be  
But if I had to walk the world I'd make you fall for me  
I promise you

I promise you, I will  
I will  
I will  
I will
