Back when I met you
I didn't have a clue
Of the horrible agony
You would put me through

But now that we've done some time
And I know who you are
You're so full of shit
How did I let it get so far?

Well, you ruined my life
You were never my friend
And now all I can hope is
That I'll never see you again

Valerie, you make me wish I was dead
Valerie, you're like a knife in my head, yeah
I'll never ever be the same
My life is ruined, you're to blame

Every moment
Of the year we spent
You pushed me further
And further over the edge

Maybe you didn't mean it
Maybe you're sorry as well
But I know that you are evil
You came straight out of hell

Well, you wasted my time
All of my money too
And I never really hated
Until I met you

Valerie, you make me wish I was dead
Valerie, you're like a knife in my head, yeah
I'll never ever be the same
My life is ruined, you're to blame

Valerie
(Valerie)

Valerie
(Valerie)

Well, you ruined my life
You were never my friend
And now all I can hope is
That I'll never see you again

Valerie, you make me wish I was dead
Valerie, you're like a knife in my head, yeah
I'll never ever be the same
My life is ruined, you're to blame
Yeah, yeah, yeah

Valerie, yeah, yeah, yeah, yeah
I'll never ever be the same
My life is ruined you're to blame
