Going back to the way  
Going back to the way  
That it used to be  
When things were much better

Going back to the way  
Going back to the way  
That it used to be  
When we were together

It's been so hard for me  
To take all the things that come my way  
It's been so hard but know I say  
We are

Going back to the way  
Going back to the way  
That it used to be  
When things were much better

Going back to the way  
Going back to the way  
That it used to be  
When we were together

Going back to the way  
Going back to the way  
That it used to be  
When things were much better

Going back to the way  
Going back to the way  
That it used to be  
When we were together

I've been alone too long  
There's no one else I'd rather see  
Nothing's more right  
Than you and me  
So we're

Going back to the way

Going back to the way  
That it used to be  
When things were much better

Going back to the way  
Going back to the way  
That it used to be  
When we were together

Going back to the way  
Going back to the way  
That it used to be  
When things were much better

Going back to the way  
Going back to the way  
That it used to be  
When we were together
