Well first of all I'd like to say fuck off  
Fuck off, fuck off, fuck off!  
If you don't get it why don't you  
Go shove your head back up your ass?  
And don't waste my time  
I don't need your opinion, no

'Cuz you don't know what it's like  
You don't know what it's like  
You don't know what it's like to be like me  
You don't know so keep your mouth shut

Well, this may come as kind of a surprise  
Surprise, surprise, surprise!  
I don't like you and I don't care  
What you think about what I do  
But most of all  
I don't need your opinion, no

'Cuz you don't know what it's like  
You don't know what it's like  
You don't know what it's like to be like me  
You don't know so keep your mouth shut

Well finally that's the way it is  
I like something you don't  
And you're tellin' me it's shit  
Well it's a waste of time  
We can't change our opinions  
You know what else?

I don't know what it's like  
I don't know what it's like  
I don't know what it's like to be like you  
And I don't know so I'll keep my mouth
