C'mon c'mon ya ya ya ya ya  
Get 'em up, get 'em up what  
Get 'em up, get 'em up what  
Get 'em up, get 'em up what  
Yo, yo, yo  
What's with the melodrama?  
Fella's wanna hover in my cypher like a helicopter  
Like it's a special honor  
The stealth bomba, gem droppa  
Make the ghetto holla  
Inter-Conta-Nental  
Takin you high like sky divers  
When we spark with live wires  
Original, cavemen quest for my fire  
Express my desire to drop this new shit  
These record executives keep tellin me y'all stupid  
Now if they right, Shut The Fuck Up!  
Revolutionaries throw your guns up  
Whether you a ??? broad who actin' stuck up  
Or some ignorant cut mutha fucker shootin the club up  
We gonna make ya'll feel this  
Break your spirit if you think that realness word  
We bringin it bringin it from the new millenuim to way  
after that  
I call these cats Renolds cuz they plastic wrap

[Chorus]

Kill all the yappin lets make it happen  
You cats ain't real, you just a re-enactment  
Better yet, dramatization  
Soon as the director say action you start fakin  
I start breakin  
The whole joint start shakin  
This ain't the time or place for you to prove something  
Cut the stargazin' yo, move somethin'!

[woman's voice and Talib Kweli]

Move Somethin' (move somthin)  
Move Somethin' (move somthin)

[Talib Kweli]
