I guess I could have run away  
When I saw that look in her eyes  
But she brought me to my knees  
Before I had time to realize

But I wished I'd never turned  
To see her smile at me  
But she lured me to her lair  
With all the things she promised me

Well if I could  
You know I would run away  
Right now

I can't sleep 'cause she snores like a chain saw  
And I can't eat cause she can't cook  
I can't write 'cause she's got all my inspiration  
And she can't count all the pills I took, yeah

She threw a leash around my neck  
And started spending all my money  
I ate her cooking night and day  
Even though I thought it tasted funny

She's kept me locked inside her house  
Days and nights and holidays  
No escape was to be found  
I tried a thousand billion ways

Well if I could  
You know I would run away  
Right now

I can't sleep 'cause she snores like a chain saw  
And I can't eat 'cause she can't cook  
I can't write 'cause she's got all my inspiration  
And she can't count all the pills I took

All the pills I took  
All the pills I took  
All the pills I took  
All the pills I took

All the pills I took

So I wish I would have run away  
When I saw that look in her eyes  
But she brought me to my knees  
Before I had time to realize

And I wished I'd never turned  
To see she smiled at me  
But she lured me to her lair  
With all the things she promised me

Well if I could  
You know I would run away  
Right now

I can't sleep 'cause she snores like a chain saw  
And I can't eat 'cause she can't cook  
I can't write 'cause she's got all my inspiration  
She 'can't count all the pills I took

I can't sleep 'cause she snores like a chain saw  
And I can't eat 'cause she can't cook  
I can't write 'cause she's got all my inspiration  
She can't count all the pills I took

All the pills I took  
All the pills I took  
All the pills I took  
All the pills I took  
yeah yeah yeah
